REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

At Lewisville High School, we are proud of our teachers' and students' efforts to increase student achievement. Over the five-year period 2003-2007, we increased the number of students passing the HSAP (South Carolina Exit Exam) from 69.9% to 85.2%. At the end of the 2008 school year, 74.5% of students passed End-of-Course tests.

We are also extremely proud of what we have accomplished with our seniors. Our graduation rate for the past five years is: 2003—61.3%, 2004—73.2%, 2005—78.0%, 2006—84.5%, 2007—79.2%. We are focusing on graduating and graduating on-time a much larger number who enter LHS in the ninth grade.

We were honored this year to have our Teacher of the Year selected as District Teacher of the Year and our LHS Marching Band won the Class A Upstate competition and placed second in the state competition. The number of parents that have attended school events is at an all-time high. We hosted a Freshmen Student/Parent Night, which was a great success. Our parent groups continue to be extremely valuable in their support of the school. The Athletic Boosters and the Band Boosters have worked diligently to support these programs with fundraising and volunteer assistance. Our JROTC program continues to grow, and students perform well at all major competitions. Nearly 70% of our students participate in programs such as band, color guard, chorus, art, athletics, and JROTC. Our current School Improvement Council is the most active and involved group we have had since I came to Lewisville five years ago.

With an awareness of the strides we are making in improving student achievement and home-school relations, we look to the future and the challenges we must face. To meet our goals in continuing to improve our graduation rate and to increase student achievement, we have developed a Freshmen Summer Bridge and mentoring program to address these needs. Through a grant provided by the Chester Healthcare Foundation, rising freshmen spent two days in early August working on developing the skills to make a more successful transition to high school. In addition to the grant awarded for the Freshmen Bridge Program, our Athletic Department was also able to secure a grant from the Chester Healthcare Foundation to hire an Athletic Trainer and set up a training room to serve the needs of student athletes. We are extremely proud of this new facility.

We recognize that everything we do at LHS can impact the life of a child, and we strive to make each day a day of growth and learning. As we bring this year to a close and plan for the future, we do so with a School Improvement Plan that details our challenges and encourages the continued support of our community and business leaders.
